

Photographs of Computer and Scanning Equipment  
located within the office space at the Bureau of  
Conveyance taken 2/23/07.

On 2/23/07 upon interviewing Scot Chang at the Bureau of Conveyance (BOC), Department of Land and Natural Resources (DLNR) Chang then led Hawaii State Ethics Investigator Hilton J. Lui to the Dell Computer System which he believed to be owned by Title Guaranty of Hawaii that is located within the BOC office space and near the desk occupied by Alan Smith who is one of the IT people assigned to DLNR. Lui then took photos of the computer which composed of a hard drive cabinet, Monitor and keyboard. On the label located on the top of the hard drive cabinet were the words, Windows 2000 Pro 1-2CPU, serial number "X08-73013" and the numbers "V8P42-DTGMY-X6BTP-GDK6M-37X6J". Of note on one side of the hard drive cabinet there was a white 8½ X 11 sheet of paper which noted "Do not turn off this computer." Also on the opposite side of the hard drive cabinet there was a piece of pink paper which noted wording "TG" and some other wording.
